

EOS Announcement for Huawei IPC6332-MIR Product

No. :EOS-ECC-2018-015-Global

Date: Dec 31, 2018

Subject: EOS Announcement for Huawei IPC6332-MIR Product

Dear Customers,

To help you better cope with challenges brought by market changes and technological innovations, Huawei hereby informs you of the milestones in the life cycle of IPC6332-MIR. Hopefully this information can give you a reference on making future network development plans.

The service of the IPC6332-MIR will be stopped from December 31, 2020. After that day, Huawei no longer provides any services related to IPC6332-MIR (including the service hotline). However, during the period of one year from the day June 30, 2019, you may visit <http://support.Huawei.com> to search or download the FAQ and resolved problem cases related to IPC6332-MIR.

Table1 describes the end of life milestones, definitions, and dates for IPC6332-MIR.

Table1 End of life milestones and dates for IPC6332-MIR

Milestone	Definition	Date
EOS	End of Service & Support. It refers to the last date of the service. After the EOS date, Huawei does not provide any service for the product.	December 31,2020

Huawei suggests that you use new product or upgrade your old one to new version, which has similar features and capabilities but optimized functions compared with it. We will continue to provide high-level services for your new product.

Table2 Replacement

End of Life Product	Replacement Product	NOTES
IPC6332-MIR 6mm	IPC6324-MIR 6mm	The mounting bracket is replaced synchronously, its code: 02411384
IPC6332-MIR 4mm	IPC6324-MIR 3.6mm	
IPC6332-MIR 2.8mm	IPC6324-MIR 2.8mm	

Hopefully this announcement can help you plan your future networks. This measure will not affect the existing service relationship and quality. We are consistently dedicated to providing you with other excellent products and services. If you have any questions, please contact your Huawei account manager.
